

INITIAL QUESTIONNAIRE FOR EXPERT SUPERVISORS

A. Experience as a supervisor

1. Think back on your supervisory experience and tell me about a particularly positive event you have had as a PhD supervisor. What made it a positive experience?
2. Think about your supervisory experience. What is an issue or problem that you continue to think or worry about, something that you haven't yet resolved or got right?

B. Experience of co-supervision

1. Please describe a particularly positive experience you have had as a PhD co-supervisor.
2. Please describe an unproductive experience you have had as a PhD co-supervisor.

C. Situating your supervision within institutional practices and policies

1. Name one or two things in your department or program that help you be a) a supervisor, and b) a co-supervisor.
2. Name one or two things in your department or program that make it difficult to be a) a supervisor and b) a co-supervisor.

D. Personal goals for the workshop

1. Please describe at least one goal you would like to achieve by participating in the workshop.
